

2010 GRANTS

RESEARCH & DEVELOPMENT

16575	Energetics, Incorporated Investigate GREET Model	\$9,500	16601	Energetics, Incorporated Portfolio Management Analysis	\$16,560	16722	Gas Technology Institute Carbon Management Information Center Consortium	\$75,000	16725	Temp Air, Inc. Development & Testing of Mobile Propane System for Bed Bugs	\$98,000
16736	Southwest Research Institute Liquid-Phase LPG Filter Technology Research	\$250,800	16744	Propane Education & Research Council Development/Commercialization of YANMAR Micro-CHP	\$725,000	16726	Propane Education & Research Council Direct Vent Wall Furnace Performance Testing	\$138,084	16939	Propane Education & Research Council 11RT Propane Packaged Engine Driven Heat Pump	\$1,991,469
16397	Propane Education & Research Council 2010 RDAC Oversight and Advisory Committee Support	\$230,000	16419	Propane Education & Research Council 2010 Technical Communications & Outreach	\$195,000	16407	Propane Education & Research Council 2010 Safety & Training Advisory Committee Support	\$101,000	16401	Propane Education & Research Council 2010 Propane Emergencies Activities	\$215,000
16527	Propane Education & Research Council 2010 Safety in Outdoor Living	\$605,700	16600	Propane Education & Research Council CSST Piping Outreach	\$14,200	16606	Energetics, Incorporated Portfolio Management Analysis	\$16,560	16740	Propane Education & Research Council CETP Support	\$81,750
16741	Propane Education & Research Council Dispensing Propane Safely 2nd Edition – Production	\$145,400	16743	Propane Education & Research Council Consumer Safety Outreach – Recreational Vehicles	\$39,900	16753	Propane Education & Research Council Initial OSHA/DOT Training Textbooks	\$62,412	16756	Propane Education & Research Council Plant Operations Textbook	\$157,601
16870	Propane Education & Research Council SCORM Compliant E-Learning	\$158,526	16871	Propane Education & Research Council Bobtail Rollover Awareness and Prevention Program	\$332,000	16948	Propane Education & Research Council CETP: Updated and Revised Courses and Support	\$353,367	16958	Propane Education & Research Council Curriculum Alignment and Textbook for 4.4: Appliance Service	\$746,628
16448	Propane Education & Research Council 2010 Construction Professional Training	\$750,000	16449	Propane Education & Research Council FY 2010 Construction Professional Training Support	\$2,000,000	16450	Propane Education & Research Council FY 2010 Construction Professional Communications	\$1,300,000	16451	Propane Education & Research Council 2010 NAHB Builder 20 Clubs	\$250,000

RESIDENTIAL & COMMERCIAL

SAFETY & TRAINING

2010 GRANTS

Category	Grant ID	Recipient	Project Description	Amount
RESIDENTIAL & COMMERCIAL	16452	Propane Education & Research Council	2010 Consumer Education Advisory Committee Oversight	\$150,000
	16529	Propane Education & Research Council	Statler Nagle – Measurement & Evaluation Support	\$118,000
	16582	Propane Education & Research Council	2010 Residential Measurement and Evaluation: Core Initiatives	\$151,000
	16583	Propane Education & Research Council	FY 2010 Construction Professional Media Outreach	\$200,000
INDUSTRY PROGRAMS	16603	Energetics, Incorporated	Portfolio Management Analysis	\$16,560
	16584	Propane Education & Research Council	2010 Construction Professionals Trade Shows and Conferences	\$1,000,000
	16745	Propane Education & Research Council	Commercial Market Research	\$255,568
	16454	Propane Education & Research Council	2010 Market Metrics Initiative Analysis Cycle	\$766,351
ENGINE FUEL	16456	Propane Education & Research Council	Industry Outreach Programs	\$290,000
	16461	Propane Education & Research Council	Industry Communications	\$316,000
	16533	Propane Education & Research Council	2009 API Survey	\$182,239
	16598	Propane Education & Research Council	2010 Partnership with States Program	\$2,000,000
ENGINE FUEL	16115	Propane Education & Research Council	Market Development of Propane Appliances, Technologies, and Products (Change Order)	\$35,000
	16773	Propane Education & Research Council	Propane MaRC Maintenance and Enhancements	\$149,141
	16332	Collins Bus Corporation	Type A School Bus NHTSA Self Certification Testing	\$503,546
	16444	Propane Education & Research Council	2010 EFAC Oversight & Operating Support	\$160,000
	16453	Propane Education & Research Council	2010 Kawasaki Dealer Outreach & Education Program	\$130,000
	16534	Propane Education & Research Council	Navistar/International Trucks Heavy Duty Market Analysis	\$175,000
	15922	IMPCO Technologies, Inc.	CARB Cert. Process Development for Sequent Bi-Fuel System	\$180,000
	16555	Mississippi State University Center for Advanced Vehicular Systems	Low-Temp Propane-Diesel Dual Fuel Combustion for Heavy-Duty	\$726,038
ENGINE FUEL	16604	Energetics, Incorporated	Portfolio Management Analysis	\$16,560
	15939	Foley & Lardner LLP	Propane Mowers Golf Industry Commercialization Project	\$125,000
	16595	Falls Agency	Propane Option Partners	\$200,240
	16607	Blue Bird Corporation	2nd Generation Propane School Bus Development	\$500,000
ENGINE FUEL	16723	Freightliner Custom Chassis Corporation	8.0L LPG Engine – Agricultural and Medium-Duty Truck & Bus	\$2,000,000
	16724	Propane Education & Research Council	Engine Fuel Advisory Committee (EFAC) Professional Services	\$200,000
ENGINE FUEL	15649	California Clean Air Technologies, LLC	CARB Off-road Verification of a Propane Addition System (Change Order)	\$280,000
	16872	Propane Education & Research Council	Golf Equipment Market Feasibility Study	\$332,000

2010 GRANTS

ENGINE FUEL	16873 Propane Education & Research Council 2011 Engine Fuel Outreach & Communications Program \$2,446,000	16903 Propane Education & Research Council Data Collection of Criteria and Global Warming Emissions \$298,940	16899 Capacity of Texas 8.0L LPG Engine for Off-Road Terminal Truck Applications \$2,000,000	16393 Propane Education & Research Council 2010 Agriculture Project/Partner Development and Support \$230,000	AGRICULTURE	
	16417 Propane Education & Research Council 2010 Ag Research Communication & Partnership Program \$350,000	16420 Temp Air, Inc. Temp-Air Thermal Remediation Program – Phase 2 \$496,704	16602 Energetics, Incorporated Portfolio Management Analysis \$16,560	16684 Mathews Company Vacuum Cooled Low Profile Grain Dryer Development \$138,000		
	16711 University of Nebraska-Lincoln The Integration of Propane Flaming & Mechanical Cultivation \$125,455	16692 Propane Education & Research Council 2010-11 Agriculture Research and Project Evaluation \$230,000	16865 Propane Education & Research Council Propane FEED program \$466,690	16880 Progressive Agriculture Foundation Training Trainers & Youth on Propane Safety \$30,000		
	16906 Propane Education & Research Council 2011 Agriculture Outreach \$325,000	16909 Origin Engines Origin Engines 8.0L and 10.3L Industrial Engines \$212,000	16910 University of Nebraska-Lincoln Develop Training Manual for Flaming Equipment \$155,485	16455 Propane Education & Research Council 2010 PERC, NPGA, and GPA Partnership Agreement \$1,341,000		COUNCIL INITIATIVE
	17085 Propane Education & Research Council 2011 Kawasaki Dealer Outreach & Training \$100,000	17071 Propane Education & Research Council Testing and Analysis of the Performance of Pressure Relief Valves (Change Order) \$297,800
